## PIAZZA BELLA

In the Heart of Roscoe Village, Piazza Bella could possibly be one of Chicago's best kept secrets when it comes to authentic Italian cuisine. With 'Excellent' ratings from *Zagat* including "Top Outdoor Patio" and "Top Romantic Restaurant," here it's easy to enjoy "la dolce vita."

Now celebrating its 10 year anniversary, Piazza Bella Trattoria continues to delight its patrons with a magical combination of delectable authentic Italian specialties perfectly paired with the finest wine selection. Next door, Piazza Bella Osteria pairs classic distinctive Italian techniques with contemporary presentations in a more modern setting. What better way to enjoy the summer than on the large cedar pergola patio with fresh fruit puréed cocktails and famous house Italian sangria whose secret ingredient you'll never guess.
